[C] Didn't we have a [F] lovely time the [C] day we [G] went to [C] Bangor

Chorus

A [F] beautiful day we had [C] lunch on the way

And [D7] all for under a [G] pound you know

Then [C] on the way back I [F] cuddled with Jack

And we [C] opened a [G] bottle of [C] cider

[F] Singing a few of our [A7] favourite songs as the [D] wheels [G] went [C] round

[C] Do you recall the [F] thrill of it all as we [C] walked [G] along the [C] seafront

Then [F] on the sand we [C] heard a brass band

That [D7] played De Diddle De [G] Bum Ta Ra Ra

[C] Elsie and me had [F] one cup of tea

Then we [C] took a [G] peddler [C] boat out

[F] Splashing away as we [A7] toured round the bay as the [D] wheels [G] went [C] round

[C] Didn't we have a [F] lovely time the [C] day we [G] went to [C] Bangor

[C] Wasn't it nice eating [F] chocolate ice as we [C] strolled [G] around the [C] funfair

[F] Then we ate eels on the [C] big Ferris wheel

We [D7] sailed above the [G] ground but then

We [C] had to be quick because [F] Elsie felt sick

And we [C] had to find [G] somewhere to [C] take her

I [F] said to her lad "what [A7] made her feel bad?" 'twas the [D] wheel [G] going [C] round

[C] Didn't we have a [F] lovely time the [C] day we [G] went to [C] Bangor

[C] Elsie and me we [F] finished our tea, and we [C] said good[G]bye to the [C] seaside

[F] Back on the bus [C] Flo says to us

"Oh [D7] isn't it a [G] shame to go"

[C] Wouldn't it be grand to have [F] cash on demand,

And to [C] live like [G] this for [C] always

Oh it [F] makes me feel ill when I [A7] think of the Mill and the [D] wheels [G] going [C] round
