

15. Help me make it through the Night

Made famous by Kris Kristofferson

[C] Take the ribbon from your hair
Shake it loose and let it [F] fall [Dm]
Layin' soft upon my [G] skin [G7]
Like the shadows on the [C] wall

[C] Come and lay down by my side
'Till the early morning [F] light [Dm]
All I'm taking is your [G] time [G7]
Help me make it through the [C] night [C7]

[C] I don't care what's right or [F] wrong
I don't try to under[C] stand [C7]
Let the devil take tom[D]orrow [D7]
For tonight I need a [G] friend [G7] [C]

[C] Yesterday is dead and gone
And tomorrow's out of [F] sight
And it's sad to be a[G]lone [G7]
Help me make it through the [C] night
