She **[Em]** thought she saw him **[Cadd9]** wave.  
She saw **[G]** Tuesdays and for **[D]** getfulness  
And a **[Em]** little money **[D]** saved.  
Does she **[Am7]** know? I don't **[D]** know.  
But from **[Am7]** here, I can **[D]** tell.

That it would **[G]** try **[D]** the patience of **[C]** angels. **[D]**  
**[D]** It would **[G]** try **[D]** the patience of **[C]** angels. **[D]**

And you **[G]** know something's **[D]** wrong,  
When the **[Em]** morning hurts your **[Cadd9]** eyes.  
And the **[G]** baby won't stop **[D]** crying.  
You'll be **[Em]** waiting 'til you **[D]** die.  
Would I **[Am7]** be any **[D]** good?  
If I **[Am7]** was, would I **[D]** find...

That it would **[G]** try **[D]** the patience of **[C]** angels. **[D]**  
**[D]** It would **[G]** try **[D]** the patience of **[C]** angels. **[D]**

There's a **[G]** door, in a **[D]** wall,  
In a **[Em]** house, in a **[Cadd9]** street,  
In a **[G]** town, where **[D]** no-one knows her **[Em]** name. **[Cadd9]**  
She's the patience of **[Am7]** angels. **[G][C][D7]**
