

# 59. Who Knew?

P!nk

**Intro: [G] [G] [C] [G] x2**

[G] You took my hand, you showed me how  
[G] You promised me you'd be a [Am] round  
Uh [Em7] huh, that's [D] right,  
[G] I took your words and I believed  
[G] In everything you said to [Am] me  
Yeah [Em7] huh, that's [D] right

If [C] someone said [D] three years from [Em] now you'd be [G] long gone,  
I'd [C] stand up and [D] punch them [Em] out, cos they're [G] all wrong,  
[C] [STOP] I know [D] [STOP] better,  
[Em] [STOP] Cos you said 'forever'  
And [C] [STOP] ever,  
[D] [STOP] Who knew [G]

[G] Remember when we were such fools  
[G] And so convinced, and just too [Am] cool  
Oh [Em7] no, no [D] no,  
[G] I wish I could touch you again  
[G] I wish I could still call you a [Am] friend  
I'd [Em7] give any [D] thing

When [C] someone said [D] count your blessings [Em] now, for they're [G] long gone  
I [C] guess I just [D] didn't know [Em] how  
I was [G] all wrong  
[C] [STOP] They knew [D] [STOP] better  
[Em] [STOP] Still you said 'forever'  
[C] [STOP] And ever  
[D] [STOP] Who knew [G]

## Bridge

[Am] I'll keep you [Em7] locked in my head  
[D] Until we [G] meet again  
[Am] And I won't [Em7] forget you, my friend,  
[D] What happened? [D]

If [C] someone said [D] three years from [Em] now you'd be [G] long gone  
I'll [C] stand up and [D] punch them [Em] out, cos they're [G] all wrong  
[C] And that last kiss [D] I'll cherish  
[Em7] Until we [G] meet again and  
[C] Time makes it [D] harder  
[Em7] I wish I [G] could remember  
[C] But I'll keep [D] your memory  
[Em7] You visit [G] me in my sleep  
[C] [STOP] My darling  
[D] [STOP] Who knew.
