Rockin' Sidney

[G] Don't mess with my toot-toot!

You can have another **[D]** woman.
So don't mess with my **[G]** toot-toot!

[G] When she was born in her birth-suit,
[G] The doctor slapped her behind.
He said "You're gonna be **[D]** special.
You sweet little **[G]** toot-toot."

[G] So you can look as much.
[G] But if you much as touch,
You gonna have yourself a **[D]** case.
I'm gonna break your **[G]** face!

[G] Don't mess with my toot-toot!
