

98. Never Know Your Name

Madness

Mid tempo

It was **[Gm]** very late in the **[Gm]** discotheque
I was **[Dm]** feeling blue as I **[Dm]** sometimes do
I **[Gm]** turned around it was **[Gm]** time to go
A **[Dm]** face in the crowd a face I **[Dm]** didn't know
We **[Gm]** got to talking for a **[Gm]** little while
You **[Dm]** said it's not the sort of thing you **[Dm]** usually do
[Gm] Talking to strangers so **[Gm]** late in the night
These days you **[Dm]** never know

Well I **[Gm]** thought you were nice I even told you so
But you **[Dm]** smiled so shyly and said to me
I **[Gm]** bet you say that to all the girls you meet
But it **[Dm]** isn't so
Yes, the **[Gm]** club was closing so we had to leave
We **[Dm]** walked out together just a little ill at ease
I **[Gm]** would have liked to have walked you home
But you **[Dm]** said you'd catch the bus so I ended up alone

I never **[Gm]** knew your name nor your telephone **[Dm]** number
Will I ever see **[Gm]** you again? I **[Dm]** wonder?

It **[Gm]** wasn't any longer than an hour or two
That **[Dm]** lonely street I said goodbye to you
You **[Gm]** glanced back at me as I turned the corner
Was the **[Dm]** last I saw of you

Oh I **[Gm]** wanted to call, call out your name
But **[Dm]** stupid pride and idiot shame
[Gm] Hesitated, scared of playing the fool
So you **[Dm]** walked away, from Mr Cool

I never **[Gm]** knew your name nor your telephone **[Dm]** number
Will I ever see **[Gm]** you again? I **[Dm]** wonder?
No, I never **[Gm]** knew your name nor your telephone **[Dm]** number
Will I see **[Gm]** you again? Oh girl I **[Dm]** wonder?

It was **[Gm]** very late in the discotheque
I was **[Dm]** feeling blue as I sometimes do
I **[Gm]** thought you were nice I told you so
But I **[Dm]** ended up alone

No, I never **[Gm]** knew your name nor your telephone **[Dm]** number
Will I ever see **[Gm]** you again? Girl, I **[Dm]** wonder?

It's so **[Gm]** very late in the discotheque and I'm **[Dm]** feeling blue
As I **[Dm]** always do
I **[Gm]** turn around 'cause its **[Gm]** time to go
