I [F] don't know what it is that makes me [Dm] love you so
 I [F] only know I never want to [Dm] let you go
 Cause [Bb] you started [C7] something [Gm] can't you [C7] see
 That [F] ever since we met you've had a [Dm] hold on me
 It [Bb] happens to be [C7] true, I [Gm] only wanna [C7] be with [F] you [C7]

It [F] doesn't matter where you go or [Dm] what you do
 I [F] want to spend each moment of the [Dm] day with you
 [Bb] Look what has [C7] happened with [Gm] just one [C7] kiss
 I [F] never knew that I could be in [Dm] love like this
 It's [Bb] crazy but it's [C7] true, I [Gm] only wanna [C7] be with [F] you

Bridge [Db] You stopped and smiled at me and [F] asked me if I [Bb] cared
 to [F] dance
 [C7] I fell into your open arms [G7] I didn't stand a [C7] chance
 [C7-STOP] now listen honey

[F] I just wanna be beside you [Dm] everywhere
 As [F] long as we're together honey [Dm] I don't care
 Cause [Bb] you started [C7] something [Gm] can't you [C7] see
 That [F] ever since we met you've had a [Dm] hold on me
